How Happiness is Secured. Happiness is Secured.

Happiness is the absence of pain or annoy ance, and wherever there is pain there is disease. A pain in the lower portion of the body indicates a disorder of some kind. If there is any odor or color or deposit in the urine it means disease and requires attention at once. We have heard many of our friends speak of the remarkable power of Warner's Safe Kidney and Liver Cure and are convinced there is nothing Liver Cure and are convinced there is nothing so certain and valuable for all disorders of the urinary system both male and female.

H. F. McCarthy, Wholesale and Retail Druggist, Ottawa, Ontario, writes: I was afflicted with Chronic Bronchitis for some years, but have been completely cured by the use of Dr. Thomas' Eclectric Oil, in doses of 5 drops on sugar. I have also pleasure in recommending it as an embrocation for external use." For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa. 32

LARGE TYPE Edition. A verbatim reprint of the last (1889) London edition of Chambers's Lors; the whole under one alphabet, with such illustrations as are necessary to elucidate the text. Printed from new electrotype plates, brevier type, on superior paper, and bound in 15 elegant octavo volumes of about 900 pages each. It will contain, complete, about 10 per cent. more than Appleton's and 20 per cent. more than Johnson's Cyclopadia, and though in all respects important to the general reader, it is far superior to either of them, its cost is but a fraction of their price. Volumes I and II are ready October 1, and other volumes will follow at least two each month, the entire work being completed by April, 1881, and probably sooner. Price per volume, in cloth, \$1; in half Russia, gilt top, \$1.50; postage, per volume, 21 cents. It OCTOBER has been our custom in previous publications to offer special induce—\$10. that policy, on or before October 31 only, we will receive orders, with cash, for the set of 15 volumes complete for the nominal price of \$10 for the edition in cloth, and \$15 for the edition in half Russia, gilt top. The price during November will be advanced to \$10.50 and \$15.75 and a further advance will be made each month till the work is completed. It is not supposed that the mass of those who will in time become purchasers of the Encyclopædia will make payment in advance as they now have the opportunity to do, though most of them do pay for their newspapers and magazines a full year in advance—but the old, tried friends of the Literary Revolution, who know that the American Book Exchange always accomplishes what it undertakes, and does what it promises to do, will be glad to save \$5 by investing \$10 and get the earliest and consequently best printed copies of the largest and best Encyclopædia ever published in this country, even at ten times its cost. Volumes will be shipped as may be directed, as they are issued, or when the set is complete.

Universal Knowledge.

CHAMBERS'S ENCYCLOPÆDIA

As a portion of the Library of Universal Knowledge, we issue Chambers's Encyclopædia separately, without the American additions, complete in 15 volumes 16 mo. In this style it is printed from new electrotype plates made from very clear nonparell type. Price, Acme edition, cloth, \$7.50; Aldus edition (finer, \$7.00, heavier paper, wide margins), half kussia, gilt top, \$15. In this style 14 volumes \$7.00, are issued october 1, and volume 15 will be ready about October 25 completing the work. During November the price will be advanced to \$7.25 and \$14.50 for the set.

AMERICAN ADDITIONS.

The very large Additions to Chambers's Encyclopædia (about 15,000 topics) which are made by the American editors of the Library of Universal Knowledge, will also be issued separately in four volumes of 800 to 1000 octavo pages each, large type; the price being \$1 per volume in cloth, \$1.50 in half Russia, gilt top; postage, per volume, 21 cents. Volume I will, beready in October, and other volumes will follow as rapidly as possible, the iwhole being completed by April, 1881, and probably sooner. Price for the set of four volumes during October anly, net, \$2.65 for the cloth, \$4 for the half Russia, gilt top. The four volumes of American Additions will be found well-nigh indispensable by all owners of Chambers's, Appleton's, Johnson's and all other Cyclopædias except the large type edition of the Library of Universal Knowledge, from which it is compiled.
